

The CDC Foundation thanks the following individuals who made gifts of \$1 to \$999 from July 1, 2009, to June 30, 2010. Individuals who contributed \$1,000 or more are recognized separately as Mahoney Society members. Those who made memorial or honor gifts are also listed separately. Many CDC employees contributed through the Combined Federal Campaign. (Note, however, that the CDC Foundation does not receive all Combined Federal Campaign donor names or donation amounts.) All donors of five or more consecutive years are designated with a 🕯️. Individuals are listed by preferred name when it has been provided.
